The Headset Team Named Official Nuance Partner

Nuance and The Headset Team recently expanded on their partnership with the announcement that The Headset Team has been approved as an Official Nuance Partner.

Nuance is the leading provider of speech and imaging solutions for businesses and consumers around the world. Nuance technologies, applications and services make the user experience more compelling by transforming the way people interact with information and how they create, share and use documents.

The partnership offers THT customers many advantages such as the [exclusive 5% off of Nuance's Dragon NaturallySpeaking](#) Home, Professional and Premium versions featured in this month's newsletter (next page).

Customers will continue to purchase Nuance products from Nuance directly as usual but THT will be offering exclusive promotions, trials, discounts, coupons and other items.

Plantronics Listen Up Program & The Headset Team 5% Off Early Bird Discount Ends November 19th

The highly successful Plantronics Listen Up Program and The Headset Team 5% Early Bird Special is ending November 19th

Here's How it Works:

Listen Up Trade Up Option

*A minimum purchase of twelve audio processors is required.

Purchase a minimum of twelve Plantronics Audio Processors (M22, AP15, MX10, DA45, DA55, DA60, IP40, P10, or M12LUCM) on a single invoice during the program period. You will receive the same number of EncorePro headsets as Audio Processors purchased. Then send Plantronics a minimum of twelve eligible non-Plantronics office telecommunications headsets.

Listen Up Upgrade Option

*A minimum purchase of twelve.

Purchase a minimum of twelve Plantronics EncorePro headsets along with twelve Audio Processors (M22, AP15, MX10, DA45, DA55, DA60, IP40, P10, or M12LUCM) on a single invoice during the program period. You'll receive a free EncorePro for every EncorePro/Audio Processor set you buy.

The Early Bird 5% Discount Option Ending November 19th

Use Promotion Code "**Listenup**" for an additional 5% discount on the HW291N, HW301N, M22, AP15, MX10, DA45, DA55, DA60, IP40, P10, or M12LUCM.

More for (Wire)less Program

Get a FREE Savi Electronic Hookswitch (EHS) Cable or a FREE HL10 Handset Lifter with each Savi Office unit (minimum of 3 units/single invoice).

For a modest premium over a telephone (only) headset, the Savi Office connects to the phone and to your computer.

If you don't listen to training videos, receive voicemails, engage in video calls or use the computer for voice conferencing now, you surely will within the life time of this headset.

Add to this the Savi's ability to conference additional headsets into a call and blend together telephone and computer calls (or audio) and it becomes a very easy decision.

A promotional banner for Plantronics. On the left, the Plantronics logo is displayed above the text "Get more for (wire)less". In the center, a man wearing a headset is shown. On the right, the text "Limited Time Offer! Click to learn more." is displayed next to an image of a Savi Office unit.
