

# Calisto<sup>®</sup> 540

## Enjoy the convenience of a traditional desk phone to manage PC calls

The Calisto 540 USB desk phone bridges the gap between traditional phone functionality and PC communications. A backlit LCD display shows incoming caller ID, time and user's online status. The integrated speakerphone and headset option provides hands-free convenience, without compromising the PC audio clarity.

## Key features

### Eases the transition to PC calling:

- Familiar keypad design puts users at ease
- Speakerphone and headset port for hands-free options
- Optimized for Microsoft<sup>®</sup> Office Communicator 2007 R2

### Excellent audio quality:

- Wideband for best PC audio telephony
- SoundGuard<sup>®</sup> technology provides protection against audio spikes

### User-friendly design:

- Simple plug-and-play USB connection
- No AC power supply required

### Backed by Plantronics global service and support
